

We Provide the Tools to Build Strong Futures

TriCircle 2024 Memorial Scholarship Application

TriCircle seeks to identify individuals who reside in Connecticut and have demonstrated a commitment to further their collegiate or technical studies. We recognize that there is an epidemic of drug use, including alcohol, that exists here in our state. Tragically, Connecticut has had thousands of wonderful people die due to the disease of addiction. Due to circumstances that have directly affected people involved with our organization, we have come together to continue a scholarship originally created in honor of our loved ones taken too soon due to substance abuse.

TriCircle will be awarding two (2) \$1,000.00 scholarships for 2024.
